

A List of Figures & Tables

Chapter 1 – Introduction & Summary

Figure

- 1.1 – Committee Advertisement
- 1.2 – Community Workshop Promotion
- 1.3 – Town Council Resolution 2001-80

Chapter 3 – Relationship with GP & DSP

Figure

- 3.1 – General Plan Vision Statement

Chapter 5 – On-Street Bikeways

Figure

- 5.1 – Class II Bike Lane
- 5.2 – Class III Bike Route

Chapter 6 – Recreational Trails

Figure

- 6.1 – Class I Bike Path
- 6.2 – Soft Surface Recreational Trail
- 6.3 – Class I Bike Path with Recreational Trail
- 6.4 – Alignment Planning
- 6.5 – Corridor Planning

Chapter 8 – Design Guidelines

Figure

- 8.1 – Class I, II & III Bikeway Classifications
- 8.2 – Class I Bike Path
- 8.3 – Shared Class I Bike Path
- 8.4 – At-Grade Crossing

- 8.5 – Regulatory & Safety Bikeway Signs
- 8.6 – Class II Bike Lane with Narrow Travel Lane
- 8.7 – Trail Adjacent to Street
- 8.8 – Trail Parallel to Roadway
- 8.9 – Trail in Relation to Street, Residence & Stream
- 8.10 – Trail Adjacent to Development
- 8.11 – Trail Concept Through Clustered Subdivision
- 8.12 – Trail Adjacent to Railroad
- 8.13 – Creek Trail on Slope
- 8.14 – Trail Side-Slope Treatments
- 8.15 – Tread Construction, Stabilization & Steps
- 8.16 – Infiltration
- 8.17 – Gabion
- 8.18 – Trail Adjacent to Environmentally Sensitive Area
- 8.19 – Major Crossing of Stream or Drainage
- 8.20 – Bridge
- 8.21 – Boardwalk
- 8.22 – Culverts
- 8.23 – Log Water Bar
- 8.24 – Fences
- 8.25 – Bicycle Racks
- 8.26 – Informational Signage
- 8.27 – Information Kios bnhjnk
- 8.28 – Interpretive Sign
- 8.29 – Trailhead with Parking
- 8.30 – Trailhead with Small Parking Area
- 8.31 – Trailhead with Major Parking Area

Table

- 8.1 – Class I Bicycle Path Specifications
- 8.2 – Class II Bike Lane Specifications
- 8.3 – Class III Bike Route Specifications
- 8.4 – Recommended Signing & Marking
- 8.5 – Trail Characteristics by Level of Challenge
- 8.6 – Trail Levels & Recommendations
- 8.7 – Rolling Dip / Water Bar Spacing in Different Materials
- 8.8 – Recommended Distance Between Culvert Cross-drains
- 8.9 – ADA Trail Development Guidelines
